## Maree Anderson

Maree is the 'Quiet achiever' of the South Gippsland Women's Golf Association.

Maree started as Secretary/ Treasurer of the then South Gippsland Ladies Golf Association in 1998 and nine years later, in 2007, she resigned to take a well deserved break.

Anyone who has been a Secretary would realise that this is long time in a high pressure job.

Maree then took up this position again in 2009 for twelve months. In 2013 and 2014 she again took on the position, to assist our then President Anne Walker. That constitutes 12 years as Secretary/Treasurer.

Even though Maree was "retired" she would always be available to assist the incoming Secretaries.

For the past two years, Maree, in the company of Anne Walker, has been one of our representatives on the All Gippsland Committee.

Maree and Ray (as Handley's Funeral service) have been very generous sponsors of the Association Opening Day for numerous years and now as Handley and Anderson, Scott and Sharon are continuing the family tradition.

I feel that Maree is a worthy nomination as a Life Member of our Association for dedication above and beyond.

Maxine Eabry

President SGWGA

October 2016
